## **NOVEMBER PROGRAM**

**Wednesday, November 8, 2023**

**Social: 5:30 – 6:00 PM**

**Dinner: 6:00 – 7:00 PM**

**Program: 7:00 – 9:00 PM**

### **Ohio's Registration Act and Professional Ethics for Professional Engineers & Surveyors**

**John F. Greenhalge, Executive Director, Ohio State Board of Registration for Professional Engineers & Surveyors**

About the Topic:

This program will provide an introduction to the Board's Registration Act and the Code of Ethics for Engineers and Surveyors. Topics covered include information on company licensure, updates to the PE registration requirements, information to prepare for the upcoming 2024/2024 PE/PS renewal, the continuing education requirement, requirements for sealing documents and the complaint process

Technical Development Hours (PDH): . This program is two hours and satisfies Ohio's requirement to complete two hours of continuing education in Board rules or professional ethics each biennial renewal period.

## About the Speaker:

John F. Greenhalge is the Executive Director of the Ohio State Board of Registration for Professional Engineers and Surveyors. John has been with the Board since 1998, previously serving as the Board's Enforcement Supervisor and as the Assistant Executive Director before becoming Executive Director in 2006. Prior to joining the Board John began his career as a loss prevention and human resources investigator for Sears Roebuck & Co and then as an investigator for the Franklin County Prosecuting Attorney's office.

John has a Bachelor of Science degree in Business Administration and a Master of Business Administration degree from Ashland University. John has served on numerous national committees for the National Council of Examiners for Engineering and Surveying (NCEES) including the Committee on Law Enforcement, the NCEES Leadership Task Force and the Member Board Administrators Committee and has served as national chair of the Law Enforcement and MBA committees. He has served as a presenter and guest lecturer to various organizations and colleges and universities on the topics of investigations, professional ethics, management, professional licensure and regulation. John has also written and contributed on published articles covering professional licensure, professional ethics and regulatory enforcement.

John is a recipient of the NCEES Distinguished Service Award and the 2019 Meritorious Service Award for outstanding service to NCEES and the engineering and surveying profession.
